Dear Valued Customer and Partner,

Miller Energy is pleased to announce the acquisition of Jones and Auerbacher as of September 1, 2017. Founded in 1916, Jones and Auerbacher is a leading distributor of ASCO solenoid valves, Parker fittings, Wika pressure and temperature gauges, in addition to related instrumentation and valve products. With over 160 years of combined experience, the merger of our two companies will offer our customers the most technical customer support and application expertise in the industry, an unparalleled product portfolio, and a continued commitment to outstanding customer service.
