Radar, Guided Wave Radar, Thermal Mass Flow Meters, Ultrasonic Gap, Displacer, RF Capacitance, Mechanical Level Switches

Rotameters, Mass Flow Controllers, Pressure & Vacuum Instruments

Sight Glasses, Lighting, Process Cameras, Vision Systems, Particle Size Analyzers

Magnetic Level Indicators
Magnetostrictive Level Transmitters
Clamp On Magnetic Switches

Industrial & Environmental Magnetic Flow Meters, Battery Powered Meters, Smart Sensors

Solenoid & Air Actuated Valves, Process Transmitters, Pneumatic Manifolds

Instrument Manifolds
Coplanar and Traditional Mount
Hand Valves

Pressure Gauges, Diaphragm Seals, Bi-Metal Thermometers, Transducers

Signal Conditioning, Isolators, Temperature Transmitters, IS Barriers, Multifunction Displays

Variable Area, Vane / Piston
Vortex Shedding, Coolpoint™

Hygrometers,
Dew Point Analyzers

Thermal Dispersion Mass Flow Transmitters,
Direct Insertion, Full Body Meters

Process Refractometers
Concentration and Liquid Density
Measurement

Online Gas Analyzers,
Falcon Gas Chromatograph,
TDLS, Paramagnetic, Zirconium Oxide

pH, ORP, DO & Conductivity Analyzers
Controllers and Multiparameter Transmitters,
Silica, Sodium, Chlorine, Mass Spec

Wafer Check Valve, Iron, Carbon, Stainless,
Metal or Soft Seat, 2"-48"

Precision Turbine Flow Meters
For Liquids and Gases

Humidity, Dewpoint,
Temperature, Concentration

High Performance & Resilient Seated
Butterfly Valves

Flow Computers, Batch Controllers,
Totalizers

Clamp-On Ultrasonic Flow.
Pump Controllers, Area Velocity Monitors

Differential Pressure Gauges,
DP Switches, and Backflow Prevention

Fixed Ambient Gas Detection,
Flame Detection, Area Monitors

Thermocouples, RTDs,
Thermowells

Remote I/O, Hart Interfaces,
Pressurization, Z-Purge Systems for
Hazardous Environments

Mechanical Pressure Gauges,
Diaphragm Seals, Calibrators,
Dead Weight Testers

Digital Panel Meters,
Large Displays, Annunciators,
Controllers

Miller Energy Services

- NIST Traceable Pressure and Temperature Calibration
- Liquid Case Fills
- Diaphragm Seal Assembly
- Custom Dials & Artwork
- Valve Automation & Repair
- Actuation & Limit Switch Packages
- Valve & Instrument Surveys
- Custom System Engineering & Design
- Instrument Enclosures
- Heated / Insulated Enclosures
- Instrument Tubing & Integration
- Instrument Safety Training
