Radar, Guided Wave Radar, Thermal Mass Flow Meters, Ultrasonic Gap, Displacer, RF Capacitance, Mechanical Level Switches

Rotameters, Mass Flow Controllers, Pressure & Vacuum Instruments

Sight Glasses, Lighting, Process Cameras, Vision Systems, Particle Size Analyzers

Magnetic Level Indicators
Magnetostrictive Level Transmitters
Clamp On Magnetic Switches

Industrial & Environmental Magnetic Flow Meters, Battery Powered Meters, Smart Sensors

Solenoid & Air Actuated Valves, Process Transmitters, Pneumatic Manifolds

Signal Conditioning and Isolation, IS Barriers, Temperature Transmitters

Pressure Gauges, Diaphragm Seals, Bi-Metal Thermometers, Transducers

Globe Valves, Sliding Gate Valves, Actuated Ball Valves, Pinch Valves

Variable Area, Vane / Piston Vortex Shedding, Coolpoint™

Hygrometers, Dew Point Analyzers

Thermal Dispersion Mass Flow Transmitters, Direct Insertion, Full Body Meters

Vaisala / K-Patents
Process Refractometers
Concentration and Liquid Density
Humidity, Dew Point

Online Gas Analyzers,
Falcon Gas Chromatograph,
TDLS, Paramagnetic, Zirconium Oxide

pH, ORP, DO & Conductivity Analyzers
Controllers and Multiparameter Transmitters,
Silica, Sodium, Chlorine, Mass Spec

Wafer Check Valves, Iron, Carbon, Stainless,
Metal or Soft Seat, 2"-48"
Centerline & Flowseal Butterfly Valves

Precision Turbine Flow Meters
For Liquids and Gases

Panel Meters, Displays,
PID & ConsoliDator Controllers,
Annunciators, Enclosures

Pressure, DP, Temperature,
Magnetic & Vortex Flow, Recorders

Flow Computers, Batch Controllers,
Totalizers

Clamp-On Ultrasonic Flow.
Pump Controllers, Area Velocity Monitors

Differential Pressure Gauges,
DP Switches, and Backflow Prevention

Fixed Ambient Gas Detection,
Flame Detection, Area Monitors

Thermocouples, RTDs,
Thermowells

Remote I/O, Hart Interfaces,
Pressurization, Z-Purge Systems for
Hazardous Environments

Mechanical Pressure Gauges,
Diaphragm Seals, Calibrators,
Dead Weight Testers

HART Communication,
DevCom 2000 Software,
HART Modems

Miller Energy Services

- NIST Traceable Pressure and Temperature Calibration
- Liquid Case Fills
- Diaphragm Seal Assembly
- Custom Dials & Artwork
- Valve Automation & Repair
- Actuation & Limit Switch Packages
- Valve & Instrument Surveys
- Custom System Engineering & Design
- Instrument Enclosures
- Heated / Insulated Enclosures
- Instrument Tubing & Integration
- Instrument Safety Training
