

MILLER ENERGY INC.

Expect a Higher Level of Service

Western PA / West Virginia

Ph: (412)257-0200
Fax: (412)257-0910
sales@millerenergy.com

Bulk Air Flow Monitoring,
Ultra Low DP Transmitters, Industrial
Flow Measurement

Rotameters, Mass Flow Controllers,
Pressure & Vacuum Instruments

Industrial & Environmental Magnetic Flow
Meters, Battery Powered Smart Sensors

Ultrasonic Clamp-On
Flow Meters, Ultrasonic Level Transmitters,
Pump Controllers, Area Velocity Monitors

Mechanical Level Switches & Transmitters,
Pressure & Temperature Switches,
Magnetic Level Gauges

Thermal Dispersion
Mass Flow Transmitters,
Direct Insertion & Full Body

Instrument Manifolds
Coplanar and Traditional Mount
Hand Valves

Pressure Gauges, Transducers,
Diaphragm Seals,
Bi-Metal Thermometers

Pressure & Temperature Transmitters,
Magnetic & Vortex Flow Meters,
Multivariable Transmitters

Globe Valves, Sliding Gate Valves,
Actuated Ball Valves, Pinch Valves,
Angle Seated Valves

Signal Conditioning, Isolators,
Temperature Transmitters, IS Barriers,
Multifunction Displays

Non-contact Infrared Temperature
Measurement, Flame Monitoring

Process Refractometers
Concentration and Liquid Density
Measurement

Online Gas Analyzers,
Falcon Gas Chromatograph,
TDLS, Paramagnetic, Zirconium Oxide

Flow Computers, Batch Controllers,
Totalizers

Wafer Check Valve, Iron, Carbon, Stainless,
Metal or Soft Seat, 2"-48"

Differential Pressure Gauges,
DP Switches, and Backflow Prevention

Thermocouples, RTDs,
Thermowells

High Performance & Resilient Seated
Butterfly Valves

Mechanical Pressure Gauges,
Diaphragm Seals, Calibrators,
Dead Weight Testers

pH, ORP, DO & Conductivity Analyzers
Controllers and Multiparameter Transmitters,
Silica, Sodium, Chlorine, Mass Spec

Positive Displacement Flow Meters,
Coriolis & Turbine Flow Meters

Dew Point, Moisture,
Humidity, Temperature Measurement

Fixed Ambient Gas Detection,
Flame Detection, Area Monitors

Precision Turbine Flow Meters
For Liquids and Gases

Digital Panel Meters,
Large Displays, Annunciators,
Controllers

Solenoid & Air Actuated Valves,
Process Transmitters
Pneumatic Manifolds

Miller Energy Services

- NIST Traceable Pressure and Temperature Calibration
- Liquid Case Fills
- Diaphragm Seal Assembly
- Custom Dials & Artwork
- Valve Automation & Repair
- Actuation & Limit Switch Packages
- Valve & Instrument Surveys
- Custom System Engineering & Design
- Instrument Enclosures
- Heated / Insulated Enclosures
- Instrument Tubing & Integration
- Instrument Safety Training
